## Thermo Pro-Ultra Glove

**Product code: 4081050**

Designed for use in cold working conditions, such as cold storage, construction and general handling in cold environments. Using innovative technology this glove repels water and heavy oils. Liquid placed on this glove rolls off, protecting the underlying surface. The twin liner traps heat and allows breathability. The sandy palm finish gives improved grip.

- Seamless 10 gauge knitted acrylic liner gives excellent dexterity.
- Twin liner traps heat through increased insulation.
- Elasticated knit wrist
- Black nitrile coating with sandy finish gives exceptional grip
- Comfortable fit
- Available in sizes S—XXL (7—11)
- EN 420
- EN 388:2016 - 4.2.4.2.X.
- EN 511 X.2.X.
- Not recommended for use where resistance to puncture or cut hazards are required, as protection will be limited.
