

**Protection
against very
extreme conditions**

Therm'n'Grip Plus Handling Glove

Product code: 4081082

Designed for use in cold working conditions, such as cold storage, construction and general handling in cold environments. The glove is of a seamless knitted construction, with an elasticated wrist. The warm fleecy liner is palm coated with nitrile giving the gloves an excellent grip.

- *Yellow acrylic thermal high visibility glove*
- *Black nitrile 3/4 palm coating*
- *Excellent wet or dry grip*
- *Fleecy lining keeps hands warm in cold conditions*
- *Comfortable fit*
- *Available in sizes 9 and 10*
- *Complies to EN388 4.2.2.2*
- *CE Marked.*
- *Not recommended for use where resistance to puncture or cut hazards are required, as protection will be limited.*

*12 pairs per pack (minimum unit of sale)
120 pairs per carton*
