Topaz® Cool Handling Glove

Product code: 4081041 / 4081081

Designed for use for general handling, and in cold working conditions, such as cold storage, construction and other cold environments. The glove is of a seamless knitted construction, with an elasticated wrist. The warm fleecy liner is palm coated with a textured crinkle latex giving the gloves an excellent grip.

- Yellow or Orange 7-gauge polyester brushed thermal high visibility glove
- Blue or black latex crinkle palm coating
- Excellent wet or dry grip and tear protection
- Fleecy lining keeps hands warm in cold conditions
- Comfortable fit with longer knit wrist
- Available in sizes S/7, M/8, L/9, XL/10, XXL/11
- Complies to BS EN420:2003 +A1:2009; BS EN388:2016 3 1 4 2 X; EN511:2006 X 2 X
- CE Marked.
- Not recommended for use where resistance to puncture or cut hazards are required, as protection will be limited.
